RE: Public Records Request, dated April 18, 2019, Reference nos. P007470-041819 and P007471-041819

Dear Sir or Madam:

The San Francisco Police Department (SFPD) received your Immediate Disclosure requests, dated April 18, 2019. Reference nos. P007470 and P007471 are duplicate requests. Please note, the SFPD will respond to reference # P007471. On April 19th, SFPD informed you that your request was not simple, routine, or otherwise readily answerable and it was considered a standard public records request that allows SFPD up to 10 days to respond.

You requested, "Immediate Disclosure Request: Electronic copies, via email, of all records prepared, owned, used, or retained by each agency (including all appendices, attachments, inline images, exhibits, or shared files referenced in or by the below requested records, and including all public records that pursuant to City of San Jose v. Superior Court (2017) 2 Cal.5th 608 may exist on personal accounts or devices) of any of the following:

- R1. all requests (including all follow-ups) made under the California Public Records Act from December 1, 2018 to December 31, 2018. In all cases, we are referring to requests made to SFPD regardless of whether CPRA, FOIA, Sunshine Ordinance or others were cited by the requestor.
- R2. all of the SFPD responses (including all responsive records, and regardless of the date) to items in R1
- R3. all requests (including all follow-ups) made under the California Public Records Act from January 1, 2019 to January 31, 2019
- R4. all of the SFPD responses (including all responsive records, and regardless of the date) to items in R3
- R5. all requests (including all follow-ups) made under the California Public Records Act from February 1, 2019 to February 28, 2019
- R6. all of the SFPD responses (including all responsive records, and regardless of the date) to items in R5
- R7. all requests (including all follow-ups) made under the California Public Records Act from March 1, 2019 to March 31, 2019
- R8. all of the SFPD responses (including all responsive records, and regardless of the date) to items in R7
- R9. all requests (including all follow-ups) made under the California Public Records Act from April 1, 2019 to April 18, 2019
- R10. all of the SFPD responses (including all responsive records, and regardless of the date) to items in R9."

The SFPD is invoking the extension of time to respond pursuant to Government Code section 6253(c) because of the need to consult with another division of the agency. Once it has been determined whether

or not the information you request is available, we will advise you within 14 days but no later than by May 9th.

Thank you for your courtesy in this regard.

Sincerely,

Lt. Kathryn Waaland
